Commissioner of Patents
Alexandria, VA 22313-1450

Dear Sir:

The Examiner's attention is hereby directed to the following reference(s) listed on the attached Form PTO-1449 for consideration in connection with the examination of the above-identified patent application. One copy of the reference(s) is enclosed.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the enclosed documents constitute "prior art." If it should be determined that any of the submitted documents do not constitute "prior art" under United States law, applicant(s) reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicant(s) further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the enclosed references, should one or more of the references be applied against the claims of the present application.

The undersigned attorney has been granted limited recognition under 37 C.F.R. 10.9(b) by the Office of Enrollment and Discipline of the USPTO to practice before the USPTO in capacity of an employee of Corning Incorporated. A copy of the document granting such limited recognition either is submitted herewith or has been submitted previously for the record in this application.

Respectfully submitted,

Siwen Chen
